About Me

Hello! I'm Pedram Alidoost. It is about 3 years I'm working as a web developer. I made several projects using technologies like Vuejs, Nodejs, PHP and much more, I'm doing my best to learn more and develop myself. I love new challenges, in my opinion, every challenge is an opportunity to grow.

Github	<div><div></div></div>	Css3	<div><div></div></div>
Capacitorjs	<div><div></div></div>	NodeJS	<div><div></div></div>
PWA	<div><div></div></div>	Es6	<div><div></div></div>
Linux	<div><div></div></div>	Jquery	<div><div></div></div>
End to End testing using puppeteer	<div><div></div></div>	English	<div><div></div></div>

Work Experience

Nuxtjs and Wordpress Development [for 52hertzcouture.com](https://52hertzcouture.com)

this project is a bootstrap 5 landing page to display clothes products, I made it using WordPress rest API and nuxtjs. user has a WordPress panel to change pictures and text.

Frontend Development [for nilawood.com](https://nilawood.com)

this is a simple one page website that I made it using bootstrap 5. I used jquery to show and hide portfolio pictures.

Frontend Development [for csa-rope.com](https://csa-rope.com)

this project was made using bootstrap 5 and I converted figma design to HTML , It is fully responsive

Nuxtjs and Wordpress Development [for matinelectric.com](https://matinelectric.com)

this project is a landing page to display Matinelectric shop products, I made it using WordPress rest API and nuxtjs.

Nuxtjs and Wordpress Development [for kandaka.theresume.ir](https://kandaka.theresume.ir)

this project is an online shop made with nuxtjs in frontend and WordPress in the backend. It has three dashboards, one for users and two other dashboards for the main admin and manager. main admin and manager have different roles and different access that I implemented using nuxtjs and wordpress api.

Vuejs and Wordpress Development [for onlinequiz.theresume.ir](https://onlinequiz.theresume.ir)

this project is a exam generator that I made using vuejs and wordpress. the owner of website can define exams for users and every user can do exam and see the result in the profile.

Education

Associate Degree in Computer programming from University of Applied Science and Technology

this university is one of the best Iran universities.
